DR-3080CII

Simple and Reliable Technology

Advanced technology was meant to simplify the way people work.

Canon Advantages

- Reliable feeding of mixed-document batches
- Rugged and durable design for departmental scanning
- Handles long documents up to 39.4"
- Rapid duplex scanning speeds of up to 64 ipm*
- Includes CapturePerfect® 3.0 and Adobe® Acrobat® 8 Standard
- Fast searchable, encrypted, and password-protected PDF creation

A Document Scanner That Means Business

The Canon imageFORMULA DR-3080CII scanner is a durable and reliable scanner designed for effortless operation yet powerful enough for any busy office environment. This rugged device was engineered to deliver high-quality imaging in various modes and output formats. One of the most popular departmental scanners on the market, the DR-3080CII model easily keeps up with all daily document volumes and increases productivity, without breaking the budget.

Lean and Mean Image Processing

The DR-3080CII device incorporates a compact design and blazing scanning speeds of up to 64 images per minute.* It offers a wide choice of scanning modes, such as color, grayscale, black and white, and even advanced text enhancement for documents with text on a dark background. With a daily duty cycle of up to 4,500 documents, the DR-3080CII scanner provides robust document management and reliable paper handling.

Automated Convenience for Office Productivity

Efficient paper handling begins with the 100-sheet Automatic Document Feeder. Ideal for continuous batch scanning of mixed documents—business card to legal-sized—the Canon DR-3080CII scanner automatically adjusts for varying document sizes and thicknesses, without wasting valuable time presorting, rescanning, or clearing frequent paper jams. Featuring Canon's Folio Mode, the DR-3080CII model can scan 11" x 17" documents. And, efficiency is further enhanced with Color Dropout, which allows RGB color omission during scanning.

Connectivity is simple with a choice of Hi-Speed USB 2.0 or SCSI-III interfaces and ISIS® or TWAIN drivers. Each allows the DR-3080CII scanner to be used with today's most popular applications and software solutions. The scanner is bundled with Canon CapturePerfect 3.0 software and Adobe Acrobat 8 Standard, offering a wide range of basic and advanced scanning capabilities, including Scan-to-File and Scan-to-E-mail. Equally important, it is possible to save files in TIFF, BMP, JPEG, and searchable PDF for easier document retrieval, or encrypted PDF for security-sensitive documents.

Specifications

Type:	Color Desktop Scanner	
Item Number:	9673A002	
Document Feeding:	Automatic or Manual	
Document Size		
Width:	2.2" - 10.1"	
Length:	2.8" - 14.3" (Up to 39.4" Long Document Mode)	
Document Thickness and Weight		
Automatic Feeding:	14 - 32 lb. Bond	
Manual Feeding:	11 - 40 lb. Bond	
Grayscale:	8-bit	
Color:	24-bit	
Scanning Element:	Contact Image Sensor (CMOS)	
Light Source:	RGB LED	
Scanning Modes:	Simplex/Duplex/Black and White/Grayscale/ Color/Advanced Text Enhancement	
Dropout Color:	RGB, User Selectable	
Optical Resolution:	300 dpi	
Output Resolution:	100 (color only)/200/240/300 dpi	
Scanning Speeds*	Simplex	Duplex
Black and White/		
Grayscale (High Speed):	32 ppm	64 ipm
Color (24-Bit):	10 ppm	20 ipm
Feeder Capacity:	100 Sheets	
Interface:	Hi-Speed USB 2.0 and SCSI-III	
Scanner Drivers:	For Windows® 2000/XP/Windows NT®/ Windows Vista®, ISIS/TWAIN	
Dimensions (H x W x D):	7.5" x 13.5" x 11"	
Weight:	Approximately 17.8 lb.	
Power Consumption:	42W or Less	
Bundled Software:	ISIS/TWAIN Drivers, CapturePerfect 3.0 Adobe Acrobat 8 Standard	
Daily Duty Cycle:	Approximately 4,500 Scans	
Options:	Endorser ED-500, Carrying Cases, Exchange Roller Kit	

* Examples based on typical settings, rated in images per minute with letter-sized documents at 200 dpi. Actual processing speeds may vary based on PC performance and application software.

NOTE: The DR-3080CII scanner has been tested for compatibility with many of the industry's leading document management solution providers. Please visit the scanner's product page on Canon U.S.A.'s Web site at www.usa.canon.com for a comprehensive compatibility listing.
