

# HP ScanJet Enterprise Flow 9000 Series

**Max productivity. Wide format. Premium performance.**

HP ScanJet Enterprise Flow 9000 is ideal for scanning wide-format documents and handle through heavy workloads with ease.

HP ScanJet Enterprise Flow 9000 s1

HP ScanJet Enterprise Flow N9000 sn1

## Scan a wide range of sizes up to A3

- Posters, technical drawings, and more—this scanner handles up to A3 documents, without compromising quality.
- Capture a wide range of documents—even stacks of mixed media sizes and types—with HP EveryPage.
- Keep fragile documents preserved, with the Low-speed mode, which protects thin papers while scanning.

## Increase productivity and reduce interruptions

- Scan documents blazing fast, with one-pass two-sided scanning up to 80 pages/ 160 images per minute.<sup>1</sup>
- Take care of heavy workloads with the 100 A3-page ADF - recommended for 30,000 sheets a day.
- Save time and reduce waste with two-sided scanning that captures all your data in a single pass.
- Tackle tasks quickly and easily - with the simple 4.3" (10.9 cm) color touchscreen.
- Send scans right from the scanner to network folders or a PC via a gigabit Ethernet connection.<sup>2</sup>

## Streamline tasks with automated workflows

- Digitize files without worrying about running out of storage, with the efficient file compression.
- Easily transfer scans into editable text, searchable PDF files, and more file types, using the built-in OCR.
- Save time reading and classifying files, with a scanner that recognizes your files, and does it for you.
- Scan images directly into applications with included and full-featured TWAIN, ISIS® and WIA drivers.
- Speed up document workflows, and touch-up scans with intelligent editing tools from HP Scan Premium software.

## Safeguard your scans from malware

- Get safe scan startups, with HP Secure Boot, which automatically checks that the BIOS code is secure.
- Keep compromised firmware at bay, with HP firmware code-signing validation, minimizing exposure to exploits.

<sup>1</sup> Scan speed measured at 300 dpi (black-and-white, grayscale, and color). Actual processing speeds may vary depending on scan resolution, network conditions, computer performance, and application software.

Product walkaround

- 1. Document input tray with extension
- 2. Sliding paper guides
- 3. Supports A3 size and heavy paper up to 420gsm
- 4. 4.3-inch (10.9 cm) touch panel
- 5. Document output tray with extension
- 6. 100-sheet ADF with single-pass, two-sided scanning and HP EveryPage
- 7. Latch to access paper path
- 8. Power, Back, Home, and Help buttons
- 9. Network connectivity via the Ethernet port
- 10. USB 3.0 port; USB host for connecting USB flash drives

Series at a glance

Model	HP ScanJet Enterprise Flow 9000 s1	HP ScanJet Enterprise Flow N9000 sn1
Product number	8Q4W0A	8Q4W1A
Media support	Up to A3/ledger, thickness up to 420gsm	
Scan speed	Scan up to 80 ppm/160 ipm <sup>1</sup>	
Control panel	2-line LCD	4.3-inch color touchscreen display
ADF	100 A4/100 A3-sheet ADF	
Software	HP Scan Premium	
Recommended duty cycle	Up to 30,000 pages per day	
Connectivity	High-speed USB 3.0	High-speed USB 3.0, Ethernet

<sup>1</sup> Scan speed measured at 300 dpi (black-and-white, grayscale, and color). Actual processing speeds may vary depending on scan resolution, network conditions, computer performance, and application software.

## HP Services

Downtime can have serious consequences, so HP provides support beyond the standard warranty. You benefit from reduced risk, maximized uptime, predictable service delivery and no unbudgeted repair costs. HP Care Pack Services provide a comprehensive suite of protection services designed to keep HP hardware and software up and running so employees can stay productive.

For carepack availability visit: [hp.com/go/cpc](http://hp.com/go/cpc)

## Top features

- Scan up to A3/ledger size, from detailed technical drawings to vibrant, large-format posters.
- Power through heavy workloads when you get one-pass duplex scanning with the 100-sheet A3 ADF.
- Digitize, classify, and save files efficiently with HP Scan Premium software.
- HP Secure Boot and firmware code-signing validation help keep every startup and update safe from malware.
